How did the Holy Spirit  
inspire the writers of  
the bible?

# Divine Dictation

**God is responsible for  
what the person is  
writing and the person  
writing is just used by  
God.**

# Negative Assistance

**Man is all responsible.**

**God's duty is to  
intervene when the  
writer is going to make  
a mistake.**

# Subsequent Approval

**After writing the book, the Holy Spirit and the Church approves, declares it inspired. If not, then it is considered not inspired.**

# **Theory of Inspired Idea**

**God changes the style,  
words, ideas, etc. of the  
writer.**

# **Jewish Model**

**God uses and respects  
the person, with their  
limitations, background,  
style, words, ideas,  
personality, etc.**

**Biblical Inspiration is a cooperation of God and man of Divine grace and human freedom in the composition of the bible.**
